Experiential Learning

At the U of R, learning goes beyond the classroom. We're proud to offer one of the most established and successful co-op and internship programs in Canada. You can earn while you learn and gain valuable experience with Canadian employers, ensuring you graduate career ready.

Our supportive team at the Centre for Experiential and Service Learning (CESL) will connect you with employers and assist you in developing career skills to help you stand out in your field.

Test Drive Your Career

with **Top Employers** like Samsung, Nutrien, KPMG, Bombardier, and the Government of Canada.

\$13,000 - \$17,000

earned per four month co-op term.

CO-OP Education

Through our Co-operative Education Program, you will be able to alternate career-related, paid work terms with terms of study, giving you 12-16 months of work experience by the time you graduate! Students can also gain hands-on learning through internships, practicums, fieldwork, research, and volunteering.

Discover the benefits of hands-on learning.

Pre-Professional Pathway Programs

Students interested in professional programs such as medicine, dentistry, and law can complete their pre-professional requirements at the U of R.

Student Life

Your university experience isn't just about what you learn — it's about the people you meet, the community you join, and the memories you create. At the University of Regina, you'll find a lively, welcoming environment where you can be yourself, try something new, and make lasting connections.
