

Leading university in the construction industry with international recognition

15000+

students

4500+

international
alumnies

1000+

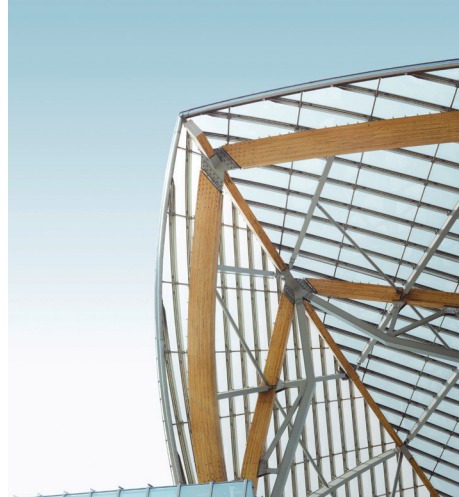

international
students

70+

countries

- ▶ Double degree diplomas
- ▶ English-taught programs
- ▶ International internship
- ▶ Exchange programs
- ▶ Career in leading companies

We establish a **scientific environment** and support our students throughout the journey to their own research projects!
